Brief Description: Regarding refunds of federal financial aid to students who withdraw from institutions of higher education.

HB 2113 - DIGEST

(DIGEST AS ENACTED)

Amends RCW 28B.15.600 relating to refunds of federal financial aid to students who withdraw from institutions of higher education before the end of a quarter or semester.

Declares that, if federal law provides that students who receive federal financial aid must return a larger amount to the federal government than that refunded by the institution, the governing board may adopt a refund policy that uses the formula used to calculate the amount returned to the federal government, and the policy may treat all students attending the institution in the same manner.
