Brief Description: Giving preference in purchasing to Washington state businesses and companies.

**HB 2212 - DIGEST**

Provides that the department shall procure all goods and services from Washington-based companies whenever possible.

Authorizes Washington businesses and companies to receive a five percent preference on all competitive bids in which sixty percent of the work done is performed in Washington state.

Declares that, for purposes of this act, "Washington businesses and companies" means those businesses and companies that have headquarters or a home office located in Washington state.
