

2320

Sponsor(s): Representatives Linville, Schoesler, Sump, Grant and Rockefeller; by request of Commissioner of Public Lands

Brief Description: Creating a wetland mitigation program.

HB 2320 - DIGEST

(SEE ALSO PROPOSED 2ND SUB)

Finds that establishing mitigation banks on state-owned aquatic lands and securing funding for permanent management of compensatory mitigation sites and mitigation bank sites will improve the environmental success of compensatory mitigation through appropriate site selection, long-term management, and consolidation of multiple small mitigation sites into larger, comprehensive mitigation sites.
