Sponsor(s): House Committee on Fisheries, Ecology & Parks  
(originally sponsored by Representatives Kagi, Hinkle, Cooper and  
Upthegrove)

Brief Description: Concerning burn bans for solid fuel burning  
devices.

**HB 2479-S - DIGEST**

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Establishes pm 2.5 burn ban triggers and enforcement.

Provides that, for the purpose of enforcement on a complaint  
basis, it is unlawful for emissions, other than uncombined water  
vapor, from a solid fuel burning device to visibly enter a  
neighboring property.
