HB 2515 - DIGEST

Finds that the inspection, reinspection, and complaint investigation procedures for licensed boarding homes must be strong, consistent, efficient, and fair.

Finds that the inspection, reinspection, and complaint investigation process should facilitate open and candid communication between licensors and providers and assure that violations are accurate and based on verified facts so unsubstantiated violations are eliminated.

Declares that those modifications will promote compliance with regulations by providers and achieve the goal of providing high quality of care to citizens residing in licensed boarding homes.
