Brief Description: Allowing water-sewer districts to consider fees in selecting engineering services.

HB 2570 - DIGEST

Provides that, when selecting a professional engineer or professional engineering firm to perform services on behalf of the district, the district may, in lieu of pursuing selection under chapter 39.80 RCW, elect to require that the person or firm submit, with its statement of qualifications or project proposal, a declaration of the professional fees and fee rates to be charged in performing the services. In making its selection, the district may choose among the persons or firms qualified to perform the services on the basis of the lowest proposed fees and/or fee rates for the work.

Declares that RCW 39.80.040 and 39.80.050 need not be complied with by a water-sewer district selecting a professional engineer or professional engineering firm to perform services on behalf of the district under RCW 57.08.050(6).
