Brief Description: Managing digital public records.

HB 2741 - DIGEST

(SEE ALSO PROPOSED 1ST SUB)

Declares that the state archivist has the duty to preserve, protect, and make accessible electronic and digitally imaged paper and microfilm state and local government public records that have long-term legal, historical, fiscal, or other archival significance in the digital archives. In managing the digital archives, the state archivist shall comply with RCW 42.17.310(1) (ggg) or (hhh), as appropriate.
