Brief Description: Protecting student health by providing incentives for the use of clean-burning alternative fuels in school buses.

HB 2821 - DIGEST

Provides that, notwithstanding any provision of law to the contrary, every student transportation program, whether operated by a school district or a commercial chartered bus service, is exempt from the provisions of chapter 82.38 RCW requiring the payment of special fuel taxes on biodiesel fuel, natural gas, and liquefied petroleum gas if the biodiesel fuel is used at a minimum of a twenty percent blend by volume.
