Brief Description: Establishing advisory limits on noneconomic damages awarded against health care providers.

**HB 2835 - DIGEST**

Declares an intent by this act to establish an advisory limit on the amount of noneconomic damages that should be awarded in actions against health care providers.

Declares an intent that the trier of fact be informed of the limitation on noneconomic damages established in this act and the fact that the limitation on noneconomic damages is advisory and not binding on the trier of fact.
