Brief Description: Crediting DUI offenders with time already suspended.

HB 2895 - DIGEST

Provides that, if the person's test or tests indicated that the person's breath or blood concentration was less than 0.15 and the person has had his or her license suspended, revoked, or denied due to a criminal conviction under RCW 46.61.5055 arising out of the same incident, the department shall give the person credit for the number of days the person's license has already been suspended, revoked, or denied.

Provides that, if a person has had his or her license suspended, revoked, or denied due to an administrative action under RCW 46.20.3101(2) arising out of the same incident, the department shall give the person credit for the number of days the person's license has already been suspended, revoked, or denied if the person submitted to or has been administered a test or tests indicating that the person's breath or blood concentration was less than 0.15 and the person has not had a previous incident within seven years that resulted in administrative action under RCW 46.20.3101.
