Brief Description: Using the health professions account for professional education and recruitment and retention. Revised for 1st Substitute: Using the health professions account for efforts affecting the health professions and patients.

HB 2931 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Provides that the board or commission of any individual health profession listed in RCW 18.130.040(2)(b) whose resources exceed one hundred twenty percent of the cost of administering that profession's program may spend any funds over the one hundred twenty percent of the cost of administering that profession's program.

Declares that the secretary of health is responsible for determining whether an individual profession meets this requirement.

Provides that funds may be spent to support activities that promote efforts affecting the profession including, but not limited to, professional education and recruitment and retention.
