**House Bills**

---

**HB 1062** by Representatives Romero, Veloria, Bush, Cooper, Simpson, Wallace, Sullivan, Chase, Anderson, Kenney, Conway and Hudgins

Establishing standards for the expeditious payment of bills incurred by state government.

Finds that: (1) Firms and organizations that do business with the state expect and deserve to be paid in an expeditious and timely manner; and

(2) Unjustified delays in paying vendors, construction contractors, and providers of service may discourage these firms and organizations, in particular small and medium-sized firms and women and minority-owned business enterprises, from doing business with the state, and may ultimately increase the costs to the state government.

Declares it is the purpose of this act to set standards for the payment of bills incurred by state agencies within specified periods of time and to require interest payments in situations where contract payments do not conform to these standards.

**-- 2003 REGULAR SESSION --**

Jan 15 First reading, referred to State Government.

**HB 1063** by Representatives Morrell, Alexander, Dunshee, Lovick, Veloria, Upthegrove, Chase, McDermott, Morris, Schual-Berke, Kenney, Cody and Moeller

Concerning projects to be funded by loans from the public works assistance account.

Provides authorization for projects recommended by the public works board.

**-- 2003 REGULAR SESSION --**

Jan 15 First reading, referred to Capital Budget.

**HB 1064** by Representatives Eickmeyer, Buck, Haigh and Blake

Authorizing the use of signs, banners, or decorations over highways under limited circumstances.

Declares that the uniform system adopted by the secretary under this act may allow signs, banners, or decorations over a highway that: (1) Are in unincorporated areas;

(2) Are at least twenty vertical feet above a highway; and

(3) Do not interfere with or obstruct the view of any traffic control device.

Requires the department to adopt rules regulating signs, banners, or decorations installed under this act.

**-- 2003 REGULAR SESSION --**

Jan 15 First reading, referred to Transportation.

**HB 1065** by Representatives Conway, Kenney, Wood, Hudgins, McCoy, Sullivan and Simpson

Establishing apprenticeship utilization requirements for public works projects.

Provides that, from July 1, 2003, through December 31, 2003, for all public works estimated to cost two million dollars or more, all specifications shall require that no less than ten percent of the labor hours within each trade be performed by apprentices of that trade.

Provides that, from January 1, 2004, through December 31, 2004, for all public works estimated to cost two million dollars or more, all specifications shall require that no less than twelve percent of the labor hours within each trade be performed by apprentices of that trade.

Provides that, from January 1, 2005, and thereafter, for all public works estimated to cost one million dollars or more, all specifications shall require that no less than fifteen percent of the labor hours within each trade be performed by apprentices of that trade.

**-- 2003 REGULAR SESSION --**

Jan 15 First reading, referred to Commerce & Labor.

**HB 1066** by Representatives Campbell, Cody, Miloscia, Simpson and Hudgins

Enacting the health facility quality assurance and patient protection act.

Finds and declares that it is in the interest of the public health and safety to assure access to quality facility-based health care services that minimizes risks to patient safety.

Declares that quality assurance includes the ability of the state to redress risks to patient safety effectively and efficiently with a rapid remediation system that operates in tandem with a broad range of remedies for correcting defective hospital health care services.

Finds that the availability of a cooperative rapid remediation system in lieu of sanctions offers a prudent opportunity to address health and safety problems that minimize risks to patient safety and avoids the delays and inconveniences of the formal sanctioning process.

Provides that this act applies only to those facilities or services specified.

Does not apply to a facility or service not specifically cited.

Declares that the facilities or services covered by this act are: (1) Acute care hospitals licensed under chapter 70.41 RCW;

(2) Psychiatric hospitals licensed under chapter 71.12 RCW; and

(3) Alcohol and chemical dependency hospitals licensed under chapter 71.12 RCW.

Hunt, Moeller, Kirby, Cooper, Chase, Wood, Miloscia,  
Shabro, Hudgins, Kenney, Conway, Kagi and Dickerson

Creating a housing allowance program for nonsupervisory educational employees.

Recognizes that, as the disparity in the cost-of-living between school districts across the state has grown in recent years, the purchasing power of equalized salaries has become more disparate for K-12 employees. A major contributor to these costs is housing.

Declares that the purpose of this act is to authorize a housing allowance for nonsupervisory public school employees in order to encourage these employees to live in the districts in which they work.

Authorizes eligible school districts to provide a housing allowance for nonsupervisory classified and certificated employees with revenues raised from a housing allowance levy authorized under this act.

**HB 1095** by Representatives Rockefeller, Sump, Linville, Orcutt, Schoesler, Pearson, Holmquist, Haigh and Kristiansen; by request of Commissioner of Public Lands

Limiting the impact on small forest landowners caused by forest road maintenance and abandonment requirements.

Finds that the 1999 act known as the forests and fish law contains a requirement for all forest landowners to complete a road maintenance and abandonment plan. In the time since the law's 1999 enactment, it has become clear that the road maintenance and abandonment plan requirement may cause an unforeseen and unintended disproportionate financial hardship on small forest landowners.

Finds that the commissioner of public lands and the governor have explored solutions that minimize the hardship caused to small forest landowners by the forest

road maintenance and abandonment requirements of the forests and fish law, while maintaining protection for public resources.

Declares that this act represents the bulk of the recommendations stemming from that process.

**SB 5086** by Senators Honeyford, Doumit, Hewitt, Deccio, Hale, Sheahan, Morton, Parlette, Mulliken and Rasmussen

Altering appeal procedures for water-related actions of the department of ecology.

Recognizes that in many cases the value of real property directly depends upon the amount of water that is available for use on that property.

Recognizes that water rights are a type of property right in which many different parties may assert an interest. Current statutes require many property rights actions in which different parties assert interests, such as actions for partition or eminent domain, to be filed in superior court.

Finds that informal procedures such as mediation and fact-finding have been employed successfully in other areas of the law, and may produce positive results in certain types of water disputes.

Finds that property owners should have a choice to select informal or formal hearings before the pollution control hearings board, and that relinquishment proceedings should be appealed to the court of appeals.

**SB 5087** by Senators Honeyford, Rasmussen, Hewitt, Deccio, Hale, Mulliken, Sheahan, Parlette, Morton and T. Sheldon

Creating the Washington water commission.

Finds that there is a critical need to establish a single purpose agency to administer Washington's water resource laws and that the agency be directly accountable to the voters of the state of Washington.

Declares that the findings of the governor's Washington competitiveness council released December 11, 2001, are accurate and that a water commission is necessary for the effective management of the water resources of the state.

Declares that all powers, duties, and functions of the department of ecology pertaining to those powers and duties set out in this act are transferred to the commission. All references to the director or the department of ecology in the Revised Code of Washington shall be construed to mean the commission when referring to the functions transferred in this act.

**SB 5104** by Senators Fraser, Morton and Fairley

Updating financial responsibility laws for vessels.

Finds that the current financial responsibility laws for vessels are in need of update and revision. These changes are necessary due to the increased risks of spills, the length of time that has passed since the current standards were put in place, the recent changes that have occurred in federal statutory and case law, the comparative standards of other western states, and the recent experiences of other states with spills.

Declares an intent that, whenever possible, the standards set for Washington state provide the highest level of protection consistent with other western states and to

ultimately achieve a more uniform system of financial responsibility on the Pacific Coast.

**SB 5108** by Senators Mulliken, Stevens, Morton, Honeyford, Swecker, McCaslin and Parlette

Removing statutory authority for access to private property for governmental purposes.

Declares that the people of this state have a right to a reasonable expectation of privacy on their private property.

Finds, however, that over time statutory authority for entry onto private property has expanded to the point where the people no longer feel secure from the unreasonable intrusion of government officials and others who have been granted special immunity from prosecution for trespass.

Declares an intent, with certain limited and necessary exceptions, that all persons, whether government employees or private persons, be made subject to the same restrictions with regard to entering upon the property of another. It is the intent to eliminate special immunities from prosecution for trespass, whether those immunities have been legislatively granted to government or to private persons or entities.

Declares it is not the intent to change the elements of the crime of trespass, but only to make all persons subject to the same law with exceptions from uniform application of that law only for the kinds of entries onto property by law enforcement officers that are lawful as of the effective date of this act and those entries onto property by government personnel that are specified in this act.

Reducing the release of mercury into the environment.

Requires that, no later than one year after the effective date of this act, every manufacturer listed under the act must develop a plan for ensuring that their products that contain mercury are properly collected, transported, and recycled. The plan must: (1) Identify either an existing or new collection system through which the used products can be returned for recycling or disposed of as hazardous waste; and

(2) Identify a funding mechanism through which the manufacturer will fund the collection system.

Provides that, effective January 1, 2004, no person may sell, offer for sale, or distribute for sale or use in this state a mercury-added novelty. A manufacturer of mercury-added novelties must notify all retailers that sell the product about the provisions of this act and how to properly dispose of any remaining mercury-added novelty inventory.

Provides that, effective January 1, 2004, no person may sell, offer for sale, or distribute for sale or use in this state a thermometer that contains mercury.

Provides that, effective January 1, 2006, no person may sell, install, or reinstall a commercial or residential thermostat that contains mercury.

**SB 5143** by Senators Hewitt, Oke and Regala

Creating the evergreen recreation pass.

Declares an intent that state recreation facilities be kept open and that there be a single basic pass available to the citizens of the state of Washington that would provide, for a single fee, access to the parking, day-use, trailhead and trail, and primitive overnight camping facilities owned and operated by the commission, the fish and wildlife commission, and the department of natural resources, with a single deluxe pass that would provide boat launch access in addition to the access provided in the basic pass. It is further the intent of the legislature that a similar nonresident pass be made available, at a higher cost, to visitors to the state of Washington.

Encourages coordination with federal natural resource recreational land managers and neighboring states to develop a regional outdoor recreation pass.

Appropriates the sum of four hundred fifty thousand dollars for the fiscal year ending June 30, 2003, from the general fund to the state parks and recreation commission for the purposes of this act. Of that sum, no more than fifty thousand dollars may be spent developing the corps of discovery pass, and the remainder must be spent solely for the reopening, operating, and maintaining of Chief Timothy, Central Ferry, Lyons Ferry, and Crow Butte state parks in anticipation of sufficient revenues from the corps of discovery pass being generated during the 2003-2005 biennium for the maintenance and operation of these state parks.
