-- 2003 REGULAR SESSION --

Feb 10 First reading, referred to Transportation.

HB 1801 by Representatives Moeller, Clements and Wood

Authorizing an alternative method of annexation by cities and towns based on utility service.

Finds that the inability of cities and towns to continue to utilize the petition method of annexation established by RCW 35.13.125 through 35.13.160 and 35A.14.120 through 35A.14.150 poses a threat to the public peace, health, and safety, and to the support of the state government and its existing public institutions.

Finds that this threat results from the decision of the Washington state supreme court in *Grant County Fire Protection District No. 5 v. City of Moses Lake*, 145 Wn.2d 702 (2002), holding that the petition method of annexation authorized by RCW 35.13.125 through 35.13.160 and 35A.14.120 through 35A.14.150 is unconstitutional.

Declares an intent to provide for a limited method of annexation by cities and towns based on utility service or utility agreements with property owners.

Senate Bills

SB 5155-S by Senate Committee on Commerce & Trade (originally sponsored by Senators Mulliken and T. Sheldon)

Prohibiting strikes by educational employees.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Declares it is unlawful for an employee or an employee organization, directly or indirectly, to induce, instigate, encourage, authorize, ratify, or participate in a strike.

Declares it is unlawful for an employer to authorize, consent to, or condone a strike, to conduct a lockout, to pay or agree to pay an employee for any day in which the employee participates in a strike, or to pay or agree to pay any increase in compensation or benefits to an employee in response to or as a result of a strike or any act that violates this act.

Provides that, if an injunction is granted based on a violation of this act, failure to comply with the injunction is contempt of court as provided in chapter 7.21 RCW. The court may impose a penalty of up to ten thousand dollars for an employee organization or the employer, for each day during which the failure to comply continues. The sanctions for an employee found to be in contempt shall be as provided in chapter 7.21 RCW. An individual or an employee organization that makes an active good faith effort to comply fully with the injunction shall not be deemed to be in contempt.

SB 5247-S by Senate Committee on Highways & Transportation (originally sponsored by Senators Horn, Haugen, Esser, Jacobsen, Kastama, Prentice, Oke, Swecker and Schmidt)

Authorizing alternative local option fuel taxes.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Declares that the local option motor vehicle fuel tax on each gallon of motor vehicle fuel and on each gallon of special fuel is imposed upon the distributor of the fuel.

Provides that a taxable event for the purposes of this act occurs upon the first distribution of the fuel within the boundaries of a county to a retail outlet, bulk fuel user, or ultimate user of the fuel.

Declares that all administrative provisions in chapters 82.01, 82.03, and 82.32 RCW, insofar as they are applicable, apply to local option fuel taxes imposed under this act.

Provides that, for purposes of dedication to a regional transportation investment district plan under chapter 36.120 RCW, subject to the conditions of this act, a county may levy additional excise taxes equal to ten percent of the statewide motor vehicle fuel tax rate under RCW 82.36.025 on each gallon of motor vehicle fuel as defined in RCW 82.36.010 and on each gallon of special fuel as defined in RCW 82.38.020 sold within the boundaries of the county.

Declares that the additional excise tax is subject to the approval of the county's legislative body and a majority of the registered voters of the county voting on the proposition at a general or special election.

SB 5248-S by Senate Committee on Highways & Transportation (originally sponsored by Senators Horn, Haugen, Prentice, Oke and Stevens)

Achieving transportation workforce efficiencies.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Finds that there is a pressing need for additional transportation projects to meet the mobility needs of Washington's citizens. With major new investments approved to meet these pressing needs, additional workforce assistance is necessary to ensure and enhance project delivery timelines.

Finds that recruiting and retaining a high quality workforce, and implementing new and innovative procedures for delivering these transportation projects, is required to accomplish them on a timely basis that best serves the public.

Declares an intent that no state employees will lose their employment as a result of implementing new and innovative project delivery procedures.

Finds that a skilled technical workforce is necessary for maintaining, preserving, and improving Washington's transportation system.

Declares an intent that the state prevailing wage process operate efficiently, that the process allow contractors and workers to be paid promptly, and that new technologies and innovative outreach methods be used to enhance wage surveys in order to better reflect current wages in counties across the state.

Directs the apprenticeship council to work with the department of transportation, local transportation jurisdictions, local and statewide joint apprenticeships, other apprenticeship programs, representatives of labor and business organizations with interest and expertise in the transportation workforce, and representatives of the state's

universities and community and vocational colleges to establish technical apprenticeship opportunities specific to the needs of transportation. The council shall issue a report of findings and recommendations to the transportation committees of the legislature by December 1, 2003.

Requires the department of transportation to work with representatives of transportation labor groups to develop a financial incentive program to aid in retention and recruitment of employee classifications where problems exist and program delivery is negatively affected.

Provides that, starting in December 2004, and biennially thereafter, the secretary shall report to the transportation committees of the legislature on the use of construction engineering services from private firms authorized under this act.

Declares that nothing contained in chapter 41.06 RCW prohibits the department of transportation from purchasing construction services or construction engineering services, as those terms are defined in section 102 of this act, by contract from qualified private businesses as specified in section 103(2) of this act.

Appropriates the sum of one hundred thousand dollars, or as much thereof as may be necessary, from the public works administration account to the department of labor and industries for the biennium ending June 30, 2005, to carry out the purposes of sections 201, 205, and 206 of this act.

SB 5730 by Senators Deccio, Thibaudeau, Parlette, Rossi, Keiser and Winsley

Concerning medical assistance eligibility requirements for long-term care services.

Declares an intent that eligibility for medical assistance, for the provision of long-term care services, be limited to people who do not have the ability to pay for the care they need, and that eligibility for medical assistance be set at the minimum threshold, with regard to assets, required for participation in the federal medicaid program under Title XIX of the social security act.

Declares an intent to establish a process for offering information and referral to private sector financing mechanisms that will allow people to draw upon their fixed assets to finance their long-term care service needs. It is the further intent that by taking these measures, eligibility for the medical assistance program will be reserved for the people in greatest financial need, and that we will be better able to afford to provide good quality care to those who are eligible.
