*To be discarded upon receipt of Edition No. 1 of the Legislative Digest and History of Bills

House Bills

HB 1380-S by House Committee on Agriculture & Natural Resources (originally sponsored by Representatives Ericksen, Sump, Mielke, Ahern, Clements, Hatfield, Pearson, Buck, Sullivan and Carrell)

Criminalizing interference with certain mining rights and activities.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Declares that a person commits the crime of mineral trespass if the person intentionally and without the permission of the claim holder: (1) Enters a mining claim posted as required in chapter 78.08 RCW and disturbs, removes, or attempts to remove any mineral from the claim site;

(2) Tampers with or disturbs a flume, rocker box, bedrock sluice, sluice box, dredge, quartz mill, or other mining equipment at a posted mining claim; or

(3) Defaces a location stake, side post, corner post, landmark, monument, or posted written notice within a posted mining claim.

Declares that mineral trespass is a gross misdemeanor.

Declares that a person commits the crime of interfering with a lawful small scale mining operation that is in full compliance with state and federal laws if the person intentionally: (1) Interferes with a lawful small scale mining operation; or

(2) Stops, or causes to be stopped, a lawful small scale mining operation.

Provides that interfering with a lawful small scale mining operation is a gross misdemeanor.

Feb 18 AGNR - Majority; 1st substitute bill be substituted, do pass.

HB 1487-S by House Committee on Education (originally sponsored by Representatives Haigh, Schoesler, Miloscia, Cox, Hunt, Kenney, Rockefeller and Santos)

Providing courses of study options in public high schools.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides that all school districts with public high schools shall provide, directly or in cooperation with a community or technical college, a skills center, an apprenticeship committee, or another school district, the opportunity for students to take the following courses of study: (1) A course of study for students whose educational plans include application for entrance to a baccalaureate-granting institution after being granted a high school diploma. The program shall help these students to meet at least the minimum entrance requirements under RCW 28B.10.050;

(2) A course of study for students whose educational plans include the pursuit of a professional or technical certificate or degree that requires less than four years of postsecondary education; and

(3) A course of study for students who are planning to defer further educational plans and enter the world of work upon graduation from high school.

Provides that the courses of study provided under this act shall: (1) Help students demonstrate the application of essential academic learning requirements to the world of work, occupation-specific skills, knowledge of more than one career within their chosen pathway, and employability and leadership skills; and/or

(2) Help students demonstrate the knowledge and skill needed to prepare for industry certification upon completion of the program, and/or have the opportunity to articulate to postsecondary education and training programs related to their secondary program.

Feb 13 ED - Majority; 1st substitute bill be substituted, do pass.

Feb 19 Referred to Appropriations.

HB 1498-S by House Committee on Health Care (originally sponsored by Representatives Morrell, Campbell, Cody, Kagi and Santos)

Modifying the scope of care provided by physical therapists.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Declares that the purpose of this act is to protect the public health, safety, and welfare, and to provide for state administrative control, supervision, licensure, and regulation of the practice of physical therapy.

Declares an intent that only individuals who meet and maintain prescribed standards of competence and conduct be allowed to engage in the practice of physical therapy as defined and authorized by this act.

Declares it is unlawful for any person to practice or in any manner hold himself or herself out to practice physical therapy or designate himself or herself as a physical therapist, unless he or she is licensed in accordance with this act.

Provides that physical therapists are responsible for patient care given by assistive personnel under their direct supervision. A physical therapist may delegate to assistive personnel and supervise selected acts, tasks, or procedures that fall within the scope of physical therapy practice but do not exceed the education or training of the assistive personnel.

Declares that nothing in this act may be construed to prohibit other licensed health care providers from using the services of physical therapist assistants, physical therapist aides, or other assistive personnel as long as the licensed health care provider is responsible for the activities of such assistants, aides, and other personnel and provides appropriate supervision.

HB 2012 by Representatives Fromhold, Cox, Kenney, Hunter, Quall, Moeller, Chase and Santos

Creating a special services pilot program.

Creates the special services pilot program. The purpose of the program is to encourage participating school districts to provide early intensive reading and language assistance to students who are struggling academically. The goal of such assistance is to effectively address reading and language difficulties resulting in a substantially greater proportion of students meeting the progressively increasing performance standards for both the aggregate and disaggregated subgroups under federal law. The pilot program will remove the financial disincentive that will occur if the number of students eligible for specialized programs is reduced as a result of this effective early intervention.

Provides that, by December 15, 2007, the superintendent of public instruction shall submit a report to the governor and legislature that summarizes the effectiveness of the pilot program. The report shall also include a recommendation as to whether or not the pilot program should be continued, expanded, or otherwise modified.

Expires June 30, 2010.

HB 2016 by Representatives Conway, Hudgins, Campbell, Cody, Kenney, Blake, Miloscia, Romero, Wallace, O'Brien, Wood, Chase, Simpson, Berkey, Darneille, Hunt, Moeller, Upthegrove, Edwards, Kagi and Santos

Prohibiting use of public funds to encourage or discourage unionization.

Finds that the state currently places no limitation on the use of its funds to either encourage or discourage unionization, and as a result, public funds have been used by employers when there are efforts to unionize their work force.

Declares that it is the policy of this state to recognize the right of employees to freedom of association in the workplace and freedom of choice in who will represent employees in collective bargaining.

Declares that the expenditure of public funds to support an employer's support or opposition to unionization of the employer's workers does not serve the purposes for which the public funds were provided to the employer and, thus, the expenditure of those funds to support or oppose unionization is a misuse and waste of public funds.

Declares an intent to ensure that public funds are not used to encourage or discourage employees from choosing union representation.

HB 2022 by Representatives Pflug, Cody, Moeller, Talcott, Benson and Skinner

Concerning medical assistance eligibility requirements for long-term care services.

Declares an intent that eligibility for medical assistance, for the provision of long-term care services, be limited to people who do not have the ability to pay for the care they need, and that eligibility for medical assistance be set at the minimum threshold, with regard to assets, required for participation in the federal medicaid program under Title XIX of the social security act.

Declares an intent to establish a process for offering information and referral to private sector financing mechanisms that will allow people to draw upon their fixed assets to finance their long-term care service needs. It is the further intent that by taking these measures, eligibility for the medical assistance program will be reserved for the people in greatest financial need, and that we will be better able to afford to provide good quality care to those who are eligible.

HB 2025 by Representatives Haigh, Hatfield, Darneille, Lovick, O'Brien, Romero and Blake

Revising provisions for detaining persons with mental illness.

Directs the criminal justice training commission to develop training for local law enforcement agencies targeted toward developing collaborative approaches to dealing with individuals with mental illness. The purpose of the training is to facilitate cooperative mental health-police efforts and enhanced community protection by establishing crisis intervention protocols, de-escalating potentially volatile situations, assessing an individual's medication information and relevant history, and evaluating an individual's social support system.

Provides that a person detained and taken into custody under this act by a county designated mental health professional or a peace officer shall not be charged with assault if physically resisting under diminished capacity conditions and at least one of the following conditions is present: (1) Proper and adequate crisis intervention training for detaining a person with mental illness was not provided to the detaining person;

(2) No permanent bodily harm was done to the detaining person;

(3) The detainee was psychotic at the time he or she was taken into custody;

HB 2030 by Representatives Kessler, Cairnes, Talcott, McDonald, Schindler, Shabro, Pearson and Holmquist; by request of Governor Locke

Changing requirements regarding state and local tax to provide for municipal business and occupation tax uniformity and fairness.

Finds that businesses in Washington are concerned about the potential for multiple taxation that arises due to the various city business and occupation taxes and are concerned about the lack of uniformity among city jurisdictions. The current system has a negative impact on Washington's business climate.

Finds, also, that local business and occupation tax revenue provides a sizable portion of city revenue that is used for essential services.

Recognizes that local government services contribute to a healthy business climate.

Declares an intent to provide for a more uniform system of city business and occupation taxes that eliminates multiple taxation, while allowing for some continued local control and flexibility to cities.

Senate Bills

SB 5140-S by Senate Committee on Parks, Fish & Wildlife (originally sponsored by Senator Carlson)

Using revenues under the county conservation futures levy.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Finds that conservation futures are a useful tool for counties to preserve lands of public interest for future generations. Counties are encouraged to use some conservation futures as one tool for salmon restoration purposes.

Provides that the amount of revenue used for maintenance and operations of parks and recreational facilities may not exceed twenty-five percent of the total amount collected from the tax levied under RCW 84.34.230 in the preceding calendar year. Revenues from this tax may not be used to supplant existing maintenance and operation funding. Any rights or interests in real property acquired under this act must be located within the assessing county.

Provides that in counties with a population of five hundred thousand or more, the board of county commissioners or county legislative authority shall develop a process to ensure a distribution of conservation futures funds, over time, throughout the county.

SB 5223-S by Senate Committee on Children & Family Services & Corrections (originally sponsored by Senators Keiser, Parlette, Hargrove, Deccio and Kline)

Authorizing mental health advance directives.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Finds that: (1) A mental health advance directive must provide the individual with a full range of choices;

(2) Mentally ill individuals have varying perspectives on whether they want to be able to revoke a directive during periods of incapacity;

(3) For a mental health advance directive to be an effective tool, individuals must be able to choose how they want their directives treated during periods of incapacity; and

(4) There must be clear standards so that treatment providers can readily discern an individual's treatment choices.

Affirms that, pursuant to other provisions of law, a validly executed mental health advance directive is to be respected by agents, guardians, and other surrogate decision makers, health care providers, professional persons, and health care facilities.

Providing for direct petition annexations.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Recognizes that on March 14, 2002, the Washington state supreme court decided in *Grant County Fire Protection District No. 5 v. City of Moses Lake*, 145 Wn.2d 702 (2002), that the petition method of annexation authorized by RCW 35.13.125 through 35.13.160 and 35A.14.120 through 35A.14.150 is unconstitutional.

Recognizes that on October 11, 2002, the Washington state supreme court granted a motion for reconsideration of this decision.

Declares an intent to provide a new method of direct petition annexation that enables property owners and registered voters to participate in an annexation process without the constitutional defect identified by the court.

Providing funding for state parks and outdoor recreation facilities.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Declares it is the policy of the state to provide a dedicated source of funding for capital improvements and maintenance of state parks and outdoor recreation lands to protect the state's investment in these lands.

Creates the parks and outdoor recreation lands investment account in the state treasury. Money placed in the account includes tax receipts identified for this purpose under RCW 82.49.030, and any other money appropriated to the account by the legislature.

Provides that expenditures from the account may be used only for operation, maintenance, and capital improvements of state parks and outdoor recreation lands, and appropriated as follows: (1) Twenty percent to the department of fish and wildlife;

(2) Twenty percent to the department of natural resources; and

(3) Sixty percent to the state parks and recreation commission. The percentage appropriated to the state parks and recreation commission must be reduced by the estimated amount to be collected during the biennium from a vehicle parking permit.

Provides that an excise tax is imposed for the privilege of using a motor home, travel trailer, or camper in this state, except those exempt under this act.

Declares that the annual amount of the excise tax for a motor home, travel trailer, or camper in this act is eight-tenths of one percent of fair market value.

Concerning prescription drug assistance programs for seniors.

Declares an intent to develop programs to provide prescription drugs at an affordable price to those in need, and increase public awareness regarding their safe and cost-effective use.

Establishes a program to be known as the medicaid senior prescription drug program.

Directs the department to obtain necessary federal waivers to implement the medicaid senior prescription drug program. Consistent with federal waiver conditions, the department may charge enrollment fees, premiums, or point-of-service cost-sharing to enrollees of the program.

Declares that eligibility for this program is limited to persons: (1) Who are age sixty-five and older;

(2) Whose family income does not exceed one hundred fifty percent of the federal poverty level as adjusted for family size and determined annually by the federal department of health and human services;

(3) Who do not otherwise have insurance that provides prescription drug coverage; and

(4) Who otherwise are eligible under Title XIX and the state's federal prescription drug waiver program.

Directs the health care authority to implement a program whereby it negotiates with prescription drug manufacturers for price discounts, comparable to those negotiated for its preferred prescription drugs, to be available to any Washington resident as indicated.

Requires each of the state's area agencies on aging to implement a program intended to inform and train persons sixty-five years and older in the safe and appropriate use of prescription and nonprescription medications. To further this purpose, the department shall award a development grant of no more than five thousand dollars to each of the agencies upon a showing that: (1) The agency has the ability to effectively administer such a program, including an understanding of the relevant issues and appropriate outreach and follow-up;

(2) The agency can bring resources to the program in addition to those funded by the grant; and

(3) The program will be a collaborative effort between the agency and other health care providers and programs in the location to be served, including doctors, pharmacists, and long-term care providers.

Provides that, by January 1, 2005, the administrator of the health care authority and the director of the department of social and health services shall submit to the governor and the legislature a progress report regarding the implementation of the programs created in this act.

Enhancing maritime safety.

Finds reason to augment significant improvements brought about by the international maritime organization, the oil pollution act of 1990, and United States coast guard and industry safety initiatives to further protect Washington waters through the establishment of a targeted systemwide tug safety net plan.

Finds cost-effective protection for all state waters to be superior to a single tug, single location approach.

Requires the department of ecology to prepare the following reports by October 1, 2003: (1) A summary of all drift groundings within Washington waters of commercial vessels over three hundred gross tons that have resulted in oil releases and that addresses the potential mitigation of tug use during each of the oil spill incidents.

(2) A review of all current state prevention activities that lists in order of priority where tug mitigation funding ranks and whether current resources need to be reprogrammed to fund such activities.

(3) The department shall work with the office of the attorney general and the United States coast guard to list all potential uses of oil pollution act of 1990 funding for the mitigation benefits of targeted tug use.

Assessing the efficiency and effectiveness of state government.

Finds that: (1) Public confidence in government is essential. Public programs must continuously improve in quality, efficiency, and effectiveness in order to increase public trust;

(2) Washington state government and other entities that receive tax dollars must continuously improve the way they operate and deliver services so citizens receive maximum value for their tax dollars;

(3) State government must establish priorities for the delivery of governmental services and continually reassess the ability of state agencies, programs, and activities to contribute to those priorities. The highest priority programs must be evaluated to determine if they are operating at maximum efficiency, while the lowest priority programs must be assessed to determine their continued viability;

(4) Fair, independent, professional performance audits of state agencies by the state auditor are essential to improving the efficiency and effectiveness of government.

Provides that the act shall be null and void if appropriations are not approved.

Protecting sport shooting ranges.

Finds that sport shooting ranges in this state offer valuable hunter and firearm safety training, legitimate and important forms of recreation to the general public, and provide the opportunity for many law enforcement agencies to maintain necessary firearms skills efficiently and at little or no cost.

Finds that the continued existence and viability of sport shooting ranges is impacted by burdensome retroactive regulation and lawsuits, thereby potentially threatening the availability of low-cost firearms training to some local law enforcement agencies, as well as hunter and firearms safety training and recreation to the general public.

Provides that, notwithstanding any other provision of law, a person who operates or uses a sport shooting range in this state is not subject to civil liability or criminal

prosecution in a matter relating to noise or noise pollution resulting from the operation or use of the range if the range is in compliance with any noise control laws or ordinances that applied to the range and its operation at the time of construction or initial operation of the range.
