HB 1039-S by House Committee on Local Government
(originally sponsored by Representatives G.

Revising rules for vesting of short subdivisions.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides that a short subdivision shall be governed by
the terms of approval of the short subdivision under RCW
58.17.060. For a period of five years after short subdivision
approval according to RCW 58.17.060, the statutes,
ordinances, and regulations in effect at the time of short
subdivision approval shall govern the short subdivision
unless the legislative body finds that a change in conditions
creates a serious threat to the public health or safety in the
short subdivision.

Declares that those short subdivisions that obtain short
plat approval on or before the effective date of this act, and
which are zoned for single family homes, are not subject to
the five-year limitation set forth in this act, or any other time
limitation, with respect to the application of the statutes,

HB 1741-S by House Committee on Local Government
(originally sponsored by Representatives
Romero, Lantz, Mielke, O'Brien, Edwards, Chase and
Schindler)

Prohibiting discrimination against consumers' choices in
housing.

(AS OF HOUSE 2ND READING 2/11/04)

Finds that: Congress has preempted the regulation by
the states of manufactured housing construction standards
through adoption of construction standards for manufactured
housing (42 U.S.C. Sec. 5401-5403); and this federal
regulation is equivalent to the state's uniform building code.

Finds that congress has declared that: (1)
Manufactured housing plays a vital role in meeting the
housing needs of the nation; and

(2) Manufactured homes provide a significant resource
for affordable homeownership and rental housing accessible
to all Americans (42 U.S.C. Sec. 5401-5403).

Declares an intent to protect the consumers' rights to
choose among a number of housing construction alternatives
without restraint of trade or discrimination by local
governments.

Provides that a city, county, or other governmental
body may not enact any statute or ordinance that has the
effect, directly or indirectly, of discriminating against
consumers' choices in the placement or use of a home in
such a manner that is not equally applicable to all homes.
Homes built to 42 U.S.C. Sec. 5401 et seq. standards (as
amended in 2000) must be regulated in the manner as site
built homes, factory built homes, or homes built to any other
state construction standard.

Authorizes any city or town to require that: (1) A
manufactured home be a new manufactured home;

(2) The manufactured home be set upon a permanent
foundation, as specified in the state manufactured housing
installation standard and that the space from the bottom of

the home to the ground be enclosed by concrete or an approved concrete product which can be either load bearing or decorative;

(3) If the manufactured home is to be located in a designated historic neighborhood, the manufactured home comply with all design standards that apply to all other homes within the designated historic neighborhood;

(4) The home is thermally equivalent to the state energy code; and;

(5) The manufactured home otherwise meets all other requirements for a designated manufactured home as defined in RCW 35.63.160.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides that, in addition to the licensing fee for registered nurses and licensed practical nurses licensed under chapter 18.79 RCW, the department shall impose an additional surcharge of five dollars per year on all initial licenses and renewal licenses for registered nurses and licensed practical nurses issued under this chapter. Advanced registered nurse practitioners are only required to pay the surcharge on their registered nurse licenses.

Directs the department, in consultation with the commission, to use the proceeds from the surcharge to contract with a central nursing resource center to conduct the following activities: (1) Maintain information on the current and projected supply and demand of nurses through the collection and analysis of data regarding the nursing work force including but not limited to education level, race and ethnicity, employment settings, and nursing positions. (DIGEST OF PROPOSED 2ND SUBSTITUTE)

Provides incentives to reduce air pollution and improve energy security through the use of alternative fuel vehicles.

Finds that accountability and effectiveness are important aspects of setting tax policy. In order to make policy choices regarding the best use of limited state resources, the legislature needs information to evaluate whether the stated goals of legislation were achieved.

Declares that the goal of the alternative fuel vehicle and electric vehicle tax incentives in this act is to encourage the use of alternative fuel vehicles and electric vehicles and to encourage development of fueling and recharge stations. The goal of this tax credit is achieved when the total number of alternative fuel vehicles and electric vehicles exceeds five percent of the total number of motor vehicles, as defined in RCW 46.04.320, that are registered in Washington state.

Encouraging the use of family decision meetings regarding children in the child welfare system.

(DIGEST OF PROPOSED 2ND SUBSTITUTE)

Establishes as the policy of the state of Washington to encourage and support meaningful family involvement in the decision making related to planning for children involved in the child welfare system, in those instances where family is available and family involvement is in the best interest of the child.

Provides that, by January 1, 2005, the department shall: (1) Consider options for the use of family decision meetings in cases in which a child is involved in the child welfare system;

(2) Develop strategies for implementing a policy of meaningful family involvement throughout the state within existing resources; and

(3) Present implementation recommendations to the appropriate committees of the legislature regarding this act.

Declares that, for the purposes of this act, "family decision meeting" means a family-focused intervention facilitated by dedicated professional staff that is designed to build and strengthen the natural caregiving system for the child. Family decision meetings may include, but are not limited to, family group conferences, family mediation, family support meetings, or other professionally recognized interventions that include extended family and rely upon the family to make shared decisions about planning for its children. The purpose of the family decision meeting is to establish a plan that provides for the safety and permanency needs of the child.

Substitute: Modifying tax exemptions for blood banks and bone or tissue banks. (REVISED FOR ENGROSSED: Modifying tax exemptions for qualifying blood banks, tissue banks, and blood and tissue banks.)

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Revises tax exemptions for blood banks, bone or tissue banks, and comprehensive cancer centers.

Declares that the legislature provided tax relief to blood, bone, and tissue banks in chapter 9, Laws of 1995 2nd sp. sess.

Finds that the availability of this tax relief for bone and tissue banks has been called into doubt as a result of litigation. The legislature intends to confirm its intent that bone and tissue banks are entitled to the tax relief provided by chapter 9, Laws of 1995 2nd sp. sess. Therefore, this act applies retroactively.

Defining two degrees of reckless driving.

Declares that a person is guilty of reckless driving in the first degree if he or she drives any vehicle in willful or wanton disregard for the safety of persons or property and exhibits the effects of having consumed liquor or an illegal drug. HB 3200 by Representatives Lantz, Morrell, Clibborn and Rockefeller

Limiting the time period for bringing an action for personal injury or death resulting from health care.

Declares an intent, by establishing a six-year statute of repose in RCW 4.16.350, to respond to the court's decision in *DeYoung v. Providence Medical Center*, 136 Wn.2d 136 (1998), by expressly stating the legislature's rationale for a statute of repose.

Recognizes that a six-year statute of repose alone may not solve the crisis in the medical insurance industry. However, to the extent that a six-year statute of repose has an effect on medical malpractice insurance, that effect will tend to reduce rather than increase the cost of malpractice insurance.

Provides that, whether or not the statute of repose has the actual effect of reducing insurance costs, the legislature finds it will provide protection against claims, however few, that are stale, based on untrustworthy evidence, or that place undue burdens on defendants.

SB 5297 by Senators Horn and Haugen

Allowing reciprocal waiver of driver's license exams.

(AS OF SENATE 2ND READING 2/12/04)

Recognizes that over twenty other states have entered into informal reciprocal agreements with other nations to waive driver's license testing requirements in order to ease the transition of personnel to and from those states. By removing an unnecessary barrier to efficient personnel mobility it is the intent of the legislature to strengthen and diversify Washington's economy.

Authorizes the department to enter into an informal agreement with one or more other nations to waive the requirement for licensed drivers, age eighteen years or older, from that nation to take all or any part of the driver's license examination.

Provides that the department may only enter into an agreement with a nation if: (1) The nation has procedures in place to verify the validity of drivers' licenses issued by that nation; and

(2) The nation has agreed to waive all or any part of the driver's license examination and education requirements for Washington licensed drivers applying for a driver's license in that nation.

Takes effect May 1, 2005.

Regulating automated traffic safety cameras.

(AS OF SENATE 2ND READING 2/12/04)

Declares that the use of automated traffic safety cameras is subject to the following regulations: (1) The appropriate local legislative authority must first enact an ordinance allowing for their use to detect one or more of the following: Speeding, stoplight, or railroad crossing violations.

(2) Use of automated traffic safety cameras is restricted to construction zones, school zones, two-arterial intersections, railroad crossings, and other areas designated by the Washington state patrol or county or city police as areas of high collision frequency.

(3) Automated traffic safety cameras may take pictures of the vehicle and vehicle license plate and only while an infraction is occurring.

Signs must be displayed one hundred yards in advance of placement of the locations where an automated traffic safety camera is used.

(6) A notice of an infraction must be mailed to the registered owner of the vehicle within fourteen days of the infraction occurring.

Provides that the city treasurer shall remit monthly ten percent of the noninterest money received under this section for infractions detected by an automated traffic safety camera to the state treasurer.

SB 5533-S2 by Senate Committee on Education (originally sponsored by Senators Kohl-Welles, Johnson, McAuliffe, Carlson, Keiser, Rasmussen and Kline)

Establishing provisions for disclosure of misconduct by applicants for school district employment. Revised for 1st Substitute: Establishing provisions for disclosure of sexual misconduct by applicants for school district employment. Revised for 2nd Substitute: Providing increased access to information on disciplinary actions taken against school employees.

(AS OF SENATE 2ND READING 2/12/04)

Finds that additional safeguards are necessary in the hiring of school district employees to ensure the safety of Washington's school children. In order to provide the safest educational environment for children, school districts must provide known information regarding employees' sexual misconduct when those employees attempt to transfer to different school districts.

Provides that, before hiring an applicant, a school district shall request the applicant to sign a statement: (1) Authorizing the applicant's current and past employers to disclose to the hiring school district sexual misconduct, if any, by the applicant and making available to the hiring school district copies of all documents in the previous employer's personnel, investigative, or other files relating to sexual misconduct by the applicant; and

(2) Releasing the applicant's current and past employers, and employees acting on behalf of that employer, from any liability for providing information described in this act.

Provides that, by September 1, 2004, the state board of education has the authority to and shall adopt rules defining "verbal abuse," "physical abuse," and "sexual misconduct" as used in this act for application to all classified and certificated employees. The definition of sexual misconduct adopted by the state board of education must include the requirement that the school district has made a determination that there is sufficient information to conclude that the misconduct occurred and that the misconduct resulted in the employee's leaving his or her position at the school district.

Declares that information received under this act shall be used by a school district only for the purpose of evaluating an applicant's qualifications for employment in the position for which he or she has applied. Except as otherwise provided by law, a board member or employee of a school district shall not disclose the information to any person, other than the applicant, who is not directly involved in the process of evaluating the applicant's qualifications for employment. A person who violates this provision is guilty of a misdemeanor.

Provides that school personnel have the right to review their entire personnel file relating to sexual misconduct as addressed in this act and attach rebuttals to any documents as the employee deems necessary. These rebuttal documents shall be disclosed in the same manner as the document to which they refer. The provisions of this act shall not override any protections provided individuals under the state whistleblower laws as established in chapter 42.41 RCW.

SB 5536-S by Senate Committee on Judiciary (originally sponsored by Senators Finkbeiner, Reardon, Roach, Hale, Horn, Benton, Morton, Hewitt, Schmidt, Kastama, Sheahan, Mulliken, Johnson, Parlette, Stevens, West and Esser)

Resolving claims relating to condominium construction.

(AS OF SENATE 2ND READING 2/12/04)

Finds, declares, and determines that: (1) Washington's cities and counties under the growth management act are required to encourage urban growth in urban growth areas at densities that accommodate twenty-year growth projections;

(2) One of the growth management act's planning goals is to encourage the availability of affordable housing for all residents of the state and promote a variety of housing types; and

(3) Quality condominium construction needs to be encouraged to achieve growth management act mandated urban densities and ensure that residents of the state, particularly in urban growth areas, have a broad range of ownership choices.

Declares an intent that this act implement changes in the condominium act that encourage insurance carriers to provide liability insurance for condominium builders by: Providing for arbitration of disputes; ensuring that material facts and claims are presented as fully as possible in arbitration proceedings; confining judicial review of arbitration decisions to the arbitration record, except in very

limited circumstances; requiring mandatory arbitration of disputes involving construction defects; and eliminating litigation over minor or insignificant problems, while continuing to protect consumers' legitimate claims regarding condominium construction.

Declares an intent that these changes in the condominium act ensure that a broad range of affordable homeownership opportunities continue to be available to the residents of the state and also assist cities' and counties' efforts to achieve the density mandates of the growth management act.

Modifying excise tax accounting requirements. (REVISED FOR ENGROSSED: Allowing an accrual basis taxpayer to use the cash basis method for excise tax purposes upon a showing of substantial hardship.)

(AS OF SENATE 2ND READING 2/12/04)

Provides that, upon a showing of substantial hardship by the taxpayer, the department shall allow a taxpayer whose regular books of account are kept on an accrual basis to file returns based upon his cash receipts for each reporting period and pay the tax herein provided upon such basis in lieu of reporting and paying the tax on all sales made during such period.
