Brief Description: Formalizing special needs transportation contributions.

SB 5035 - DIGEST

(SEE ALSO PROPOSED 1ST SUB)

Provides that applications for annual license tab fees, gross weight fees, and additional fees for recreational vehicles, as authorized in this chapter, must permit applicants to voluntarily contribute funds in whole dollar increments to assist persons with special transportation needs.

Creates the special needs transportation account in the custody of the state treasurer. All receipts from voluntary contributions as provided in this act must be deposited in the account. Expenditures from the account may be used only by the agency council on coordinated transportation for developing, testing, and facilitating the implementation of efficient coordinated systems to increase transportation services to persons with special transportation needs.
