Brief Description: Providing for registration of emergency workers.

SB 5045 - DIGEST

Declares that a registrant becomes a registered emergency worker upon his or her receipt of the state emergency worker registration card. All emergency workers who hold an identification card that was issued prior to the effective date of this act shall reregister prior to January 1, 2007. After January 1, 2007, only those persons holding a valid state emergency worker registration card are emergency workers as defined by chapter 38.52 RCW.
