Brief Description: Creating H.O.G. motorcycle plates.

SB 5159 - DIGEST

Declares that "H.O.G." motorcycle license plate means a license plate that displays a symbol of the sponsor of the Harley Owner's Group.

Directs the department to create, design, and issue a special H.O.G. license plate that may be used in lieu of regular or personalized license plates for motorcycles, upon terms and conditions established by the department. The special license plates will commemorate the Harley Owner's Group and their goal of increasing the number of riders of all skill levels who are able to attend motorcycle safety education programs in Washington.
