Brief Description: Revising authority of public hospital districts to pay recruitment expenses and employee training and education expenses.

SB 5198.E - DIGEST

(AS OF SENATE 2ND READING 2/26/03)

Authorizes contracts with current or prospective employees, physicians, or other health care practitioners providing for the payment or reimbursement by the public hospital district of health care training or education expenses, including but not limited to debt obligations, incurred by current or prospective employees, physicians, or other health care practitioners in return for their agreement to provide services beneficial to the public hospital district.
