Brief Description: Regarding the compulsory study of the state and federal constitutions and the declaration of independence.

SB 5772 - DIGEST

Declares that December 15th is established as the "Bill of Rights Day" to provide an opportunity for students and school employees to reflect upon the meaning, importance, and uniqueness of this document.

Provides that local school boards are responsible for providing books that explain the meaning and substance of the Declaration of Independence, and the constitutions of the United States and the state of Washington.

Directs every school district to display the Declaration of Independence, the United States Constitution, and the Washington state Constitution.
