Brief Description: Revising regional transportation investment district law.

SB 6030 - DIGEST

Provides that district tax revenue must be allocated proportionately to the member counties based on the share of tax revenue each county generates. The tax revenue allocated to a county must be used to finance costs incurred for projects within the county.

Declares that the following highway is of statewide significance: The cross-base highway, state route number 704, beginning at a junction with state route number 5 in south Pierce county, thence easterly across Fort Lewis to a junction with state route number 7.
