

6138-S

Sponsor(s): Senate Committee on Higher Education (originally sponsored by Senators Kohl-Welles, Carlson, Rasmussen, Schmidt and McAuliffe)

Brief Description: Developing a master plan for education from prekindergarten through university.

**SB 6138-S - DIGEST**

(AS OF SENATE 2ND READING 2/03/04)

Directs the senate committees on education and higher education and the house of representatives committees on education and higher education to work collaboratively to study and make recommendations about a master plan for education from prekindergarten through university.

Declares that the work of the committees will be to develop recommendations to the legislature on developing a plan to support students' needs, focusing on the organization and management of delivery systems, to achieve the goal of eliminating barriers to a seamless education.
