Brief Description: Authorizing school building construction demonstration projects by second class school districts.

**SB 6163 - DIGEST**

(AS OF SENATE 2ND READING 2/11/04)

Provides that, in addition to the projects authorized in RCW 39.10.051, three second class school districts may each use the design-build procedure for a demonstration project valued between five million dollars and twelve million dollars for the purpose of constructing an integrated kindergarten through grade twelve single structure school building. The project must receive approval from the school district project review board established under RCW 39.10.115.

Provides that all contracts authorized under this act must be entered into before July 1, 2007.
