Sponsor(s): Senate Committee on Health & Long-Term Care (originally sponsored by Senators Thibaudeau, Pflug, Deccio, Prentice, Esser, Winsley, Kline, Keiser and Kohl-Welles)

Brief Description: Requiring notification when injuries result from health care. Revised for 1st Substitute: Requiring notice of potential injuries resulting from health care.

**SB 6209-S - DIGEST**

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides that hospitals shall have in place policies to assure that, when appropriate, information about unanticipated outcomes is provided to patients or their families or any surrogate decision makers identified pursuant to RCW 7.70.065. Notifications of unanticipated outcomes under this act do not constitute an acknowledgement or admission of liability, nor can the fact of notification or the content disclosed be introduced as evidence in a civil action.

Requires that, beginning January 1, 2005, the department shall, during the annual survey of a hospital, ensure that the policy required in this act is in place.
