Brief Description: Studying criminal background check processes.

**SB 6255 - DIGEST**

(SUBSTITUTED FOR - SEE 1ST SUB)

Provides that, in consultation with the Washington State Patrol, the Washington association of sheriffs and police chiefs shall conduct a study on criminal background checks. The study shall focus on how Washington state can reduce delays in the criminal background check processing time and how Washington state can make criminal background checks more accessible and efficient.

Requires the findings and recommendations from the study to be presented to the legislature no later than December 31, 2004.
