Brief Description: Requiring that insurance coverage for mental health services be at parity with medical and surgical services.

SB 6484 - DIGEST

Finds that the potential benefits of improved access to mental health services are significant.

Declares that it is not cost-effective to treat persons with mental disorders differently than persons with medical and surgical disorders.

Declares an intent to require that insurance coverage be at parity for mental health services, which means this coverage be delivered under the same terms and conditions as medical and surgical services.
