Sponsor(s): Senators Murray, Haugen, Esser, Oke, Swecker and Rasmussen; by request of Department of Social and Health Services and Department of Health

Brief Description: Describing specialized commercial vehicles used for patient transportation.

**SB 6552 - DIGEST**

Provides that, except as excluded by rules established by the department, specialized commercial transport vehicles such as ambulances, stretcher vans, and wheelchair vans may transport, for comfort and convenience, individuals whose condition does not indicate that medical attention would be needed during transport.
