Brief Description: Making appropriations for an intercollegiate and community swim facility.

**SB 6566 - DIGEST**

Declares an intent to support a swim facility with the capacity to accommodate intercollegiate swim and dive competitions, including springboard and platform diving. The facility shall also support university intramural and recreational activities by students, faculty, and staff.

Provides that community use shall also be accommodated and scheduled for local competitive swim teams, swim lessons, swim camps, Special Olympics, and high school competitions.

Appropriates the sum of ten million dollars, or as much thereof as may be necessary, for the biennium ending June 30, 2005, from the state building construction account to the University of Washington as matching funds for the construction of a collegiate and community swim facility. The amount provided in this act shall be matched by an equal amount from combined donations of institutional, student, and private donations.
