(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides that when an offender who is subject to requirements of the sentence in addition to the payment of legal financial obligations either is not subject to supervision by the department or does not complete the requirements while under supervision of the department, it is the offender's responsibility to provide the court with verification of the completion of the sentence conditions other than the payment of legal financial obligations.

Provides that, when the offender satisfies all legal financial obligations under the sentence, the county clerk shall notify the sentencing court that the legal financial obligations have been satisfied. When the court has received both notification from the clerk and adequate verification from the offender that the sentence requirements have been completed, the court shall discharge the offender and provide the offender with a certificate of discharge by issuing the certificate to the offender in person or by mailing the certificate to the offender's last known address.
