Brief Description: Regulating the provision of wholesale telecommunications services by public utility districts.

SB 6598.E - DIGEST

(DIGEST AS ENACTED)

Provides that a public utility district providing wholesale telecommunications services shall not be required to but may establish a separate utility system or function for such purpose. In either case, a public utility district providing wholesale telecommunications services shall separately account for any revenues and expenditures for those services according to standards established by the state auditor pursuant to its authority in chapter 43.09 RCW and consistent with the provisions of Title 54 RCW.
