

HB 1016 - H AMD

By Representative Tom

1 On page 1, line 12, after "16.08.070." insert "An insurer may
2 require that the insured provide:

3 (1) Written certification from the insured that the dog
4 provides little risk based on the dog's nature and history; and

5 (2) Written certification that the dog provides little risk
6 based on the dog's nature and history from:

7 (a) A representative of the american kennel club;

8 (b) a licensed veterinarian who may be familiar with the dog in
9 question;

10 (c) a licensed dog trainer from a canine obedience school; or

11 (d) two or more neighbors who are familiar with the dog and
12 will attest that it is acceptable."
13

EFFECT: Insurers may require a written certification from the insured and a third-party regarding the nature and history of the dog.
