

**HB 1069** - H AMD

By Representative Orcutt

1           On page 4, line 29, after "immediately." insert "The committee  
2 may not make any recommendation for action on a tax preference  
3 unless the committee has received public comments opposing the  
4 substance of the preference from at least fifty affected parties."

**EFFECT:** Prohibits the Joint Legislative Audit and Review  
Committee (JLARC) from recommending any changes to a tax  
preference that has not received public comment opposing the  
preference from at least 50 parties.
