

SHB 1151 - H AMD

By Representative Ericksen

1 On page 2, beginning on line 10, after "only" strike all
2 material through "(twig snakes)" on line 16 and insert "dispholidus
3 typus (boomslang)"

4 On page 2, beginning on line 19, strike all material through
5 "monsters;"

EFFECT: Removes the following animals from the list of banned potentially dangerous wild animals: (1) all of the listed snakes in the colubridae family, except that boomslangs remain listed; and (2) "family helodermatidae," which are the venomous lizards (beaded lizards and gila monsters).
