By Representative Woods

1           On page 2, line 32, after "vehicles" strike all material  
2 through "act)" on line 34 and insert ". Amendments to the rules to  
3 maintain consistency with the California motor vehicle emissions  
4 standards and 42 U.S.C. Sec. 7505 (section 177 of the federal clean  
5 air act) must be approved by the legislature"

**EFFECT:** Amendments to maintain consistency with the California  
vehicle emissions standards may not be incorporated into  
Washington rules without legislative approval.
