

2SHB 1458 - H AMD TO H AMD (1458-S2 AMH HUNS H-2607.1)

By Representative _____

1 On page 3, line 24 of the amendment, after "(2)" insert:

2 "Before proposing a marine recovery area, the local health
3 jurisdiction must notify all known and suspected on-site sewage
4 disposal system owners within such area regarding the possible
5 marine recovery area designation and development of an on-site
6 sewage disposal system implementation plan. The local health
7 jurisdiction shall invite involvement from the public and provide
8 a ninety day public comment period before proposing or designating
9 a marine recovery area.

10 (3)"

11 On page 3, beginning on line 28, strike "(3)" and insert "(4)"

EFFECT: Requires local health jurisdictions to notify on-site sewage disposal system owners within proposed marine recovery areas, invite public involvement, and provide a 90 day public comment period before proposing or designating a marine recovery area.
