By Representative Skinner

1 On page 4, beginning on line 12, after "drug," strike all material
2 through "subsection." on line 23, and insert "the pharmacy benefits
3 manager shall disclose to the covered entity the cost of both drugs and
4 any benefit or payment directly or indirectly accruing to the pharmacy
5 benefits manager as a result of the substitution. No pharmacy benefits
6 manager is required to disclose the information required in this
7 subsection to the covered entity under any of the following
8 circumstances:

- 9 (i) The drug substitution is initiated for patient safety reasons;
10 (ii) The currently prescribed drug is no longer available in the
11 market; or
12 (iii) The substitution is required for coverage reasons in which
13 the prescribed drug is not covered under the covered person's formulary
14 or the covered entity's prescription drug benefit plan."
