1   On page 1, beginning on line 1 of the amendment, strike all
2 material through the end of line 7 and insert "On page 2, line 24,
3 after "rights." insert "Inclusion of sexual orientation in this
4 chapter shall not be construed to modify or supersede state law
5 relating to marriage.""

          EFFECT: Strikes the amendment and instead adds a statement to
