

ESB 5714 - H COMM AMD
By Committee on Health Care

1 On page 2, line 4, after "available" strike ", and only so long
2 as the current federal funding level continues"

3 On page 2, line 22, after "health" strike "shall" and insert
4 "may"

5 On page 2, line 24, after "services." strike "Eligible women
6 shall" and insert "To the extent of available funding, eligible
7 women may"

8 On page 2, line 33, after "programs." insert the following:

9 "(5) Enrollment in the early detection breast and cervical
10 cancer screening program shall not result in expenditures that
11 exceed the amount that has been appropriated for the program in the
12 operating budget. If it appears that continued enrollment will
13 result in expenditures exceeding the appropriated level for a
14 particular fiscal year, the department may freeze new enrollment in
15 the program. Nothing in this section prevents the department from
16 continuing enrollment in the program if there are adequate private
17 or public funds in addition to those appropriated in the biennial
18 budget to support the cost of such enrollment."

19 Re-number remaining subsections consecutively and correct any
20 internal references.

EFFECT: Specifies that eligible women will only be enrolled in the program provided that funding is available. Removes clause about program continuing only if federal funding level continues.
