1 On page 4, line 17 of the amendment, after "landfill." strike
2 "A transporter may deliver recyclable materials to an intermediate
3 solid waste handling facility that maintains recyclable materials
4 in a source separated state and further processes and markets the
5 recyclable materials for recycling."

EFFECT: Removes an exemption from the prohibition on
delivering recyclable materials to landfills or transfer
stations that allows recyclable materials to be delivered to
intermediate waste handling facilities.
