5           The county auditor shall, within seventy-two hours of receipt,

7 any voter challenge filed under chapter 29A.08 RCW. Immediately  
8 after publishing any voter challenge, the county auditor shall  
9 notify any person who requests to receive such notifications on an  
10 ongoing basis."

11           On page 7, line 36, after "provide to" strike "each party

**EFFECT:** Removes the provisions allowing major political parties to file contact information with the county auditor for the purpose of receiving notice of voter challenges and requiring voters who initiate challenges to provide notice and a copy of each filed challenge to the designated political party contact persons. Requires county auditors to publish the entire content of every voter challenge of a voter's registration on the auditor's internet web site within seventy-two hours of receipt, and to send notice immediately thereafter of such filings to any person who subscribes to receive such notifications.
