

SSB 6533 - H AMD 1140

By Representative Kagi

WITHDRAWN 3/8/2006

1 On page 2, after line 7, insert

2 "(5) The department of health shall prepare an informational
3 pamphlet containing information on the relationship between the
4 consumption of carbonated beverages and children's health. The
5 department shall complete the pamphlet by December 1, 2006. The
6 department shall revise the pamphlet annually. After December 31,
7 2006, retailers of carbonated beverages must make the department of
8 health pamphlet available at a prominent location at their place of
9 business."

EFFECT: Requires the Department of Health to prepare an informational pamphlet on carbonated beverages and children's health. Retailers of carbonated beverages must display the pamphlet.
