

ESHB 2266 - S AMD TO WM COMM AMD (S-2894.2/05) 566  
By Senator Johnson

ADOPTED 04/13/2005

1 On page 3, after line 38 of the amendment, insert the following:

2 "NEW SECTION. **Sec. 4.** (1) The state board of pharmacy shall  
3 convene a work group to study the need for requiring and maintaining  
4 logs of transactions involving ephedrine, pseudoephedrine, or  
5 phenylpropanolamine.

6 (2) The study shall include:

7 (a) Whether a log is an effective law enforcement tool;

8 (b) What information is needed to make logs useful as a deterrent  
9 to criminal activity;

10 (c) The most effective method of obtaining, recording, and storing  
11 log information in the least intrusive manner available;

12 (d) How long the information recorded in the logs should be  
13 maintained; and

14 (e) How logs can be most effectively transmitted to law enforcement  
15 and the state board of pharmacy.

16 (3) The work group shall consist of:

17 (a) One representative from law enforcement appointed by the  
18 Washington association of sheriffs and police chiefs;

19 (b) One representative appointed by the Washington association of  
20 prosecuting attorneys;

21 (c) One representative appointed by the office of the attorney  
22 general;

23 (d) One representative appointed by the state board of pharmacy;  
24 and

25 (e) Two representatives from the retail industry.

26 (4) The state board of pharmacy shall report to the legislature no  
27 later than November 30, 2005, regarding the findings of the work group  
28 along with any recommendations or proposed legislation."

**ADOPTED 04/13/2005**

1        On page 4, line 3 of the title amendment, strike "creating a new  
2 section" and insert "creating new sections"

EFFECT: The state board of pharmacy shall convene a work group to study the need for requiring and maintaining logs of transactions involving ephedrine, pseudoephedrine, or phenylpropanolamine. The work group will include representatives from law enforcement, prosecutors, Attorney General's office, state board of pharmacy, and the retail industry.
