                                                        PULLED 3/2/2006

1   On page 4, line 23, after "program", insert ", except for those
2   projects that include private industry funding"

                               --- END ---

       EFFECT: Prohibits prevailing wage requirements from applying to
       those projects that include private industry funding.
