By Senator Rockefeller

PULLED 4/20/05

1 On page 6, line 2 of the amendment, after "study." insert the
2 following:
3 "At a minimum, the study must include an analysis of the only
4 currently authorized toll facility, the Tacoma Narrows bridge project.
5 The study findings at a minimum should include (a) the development of
6 more uniform and equitable policies regarding the distribution of the
7 financial burdens imposed on those paying the tolls on the Tacoma
8 Narrows bridge, and (b) options of possible further buy-down of the
9 outstanding indebtedness applicable to the bridge project, in order to
10 provide a more equitable distribution of the financial burdens incurred
11 by those paying tolls on the bridge."

--- END ---

EFFECT: Requires the statewide tolling study to include an analysis of the Tacoma Narrows bridge project.
