Hearing Date: 2/17/06

Staff: Jim Morishima (786-7191).

Background:

In 1990, the Legislature enacted the Community Protection Act, which, among other things, created a sex offender registry in Washington. A sex or kidnapping offender must register with the county sheriff in the county where he or she resides. The offender must also notify the sheriff when he or she enrolls in a public or private school or an institution of higher education. Law enforcement officials use the information in the registry to notify the public, within certain guidelines, of a sex offender's presence in the community.

When an offender registers, he or she must provide a variety of information including his or her name, address (a homeless offender must provide a description of where he or she plans to stay), date and place of birth, place of employment, crime of conviction, date and place of conviction, aliases used, Social Security number, photograph, and fingerprints.

Sex and kidnapping offenders who lack a fixed residence must check in with the county sheriff once a week. However, offenders who have a fixed residence are not required to check in on a regular basis.

Summary of Bill:

A sex or kidnapping offender's picture may be taken at any time to update the individual's file.

A level III sex offender with a fixed residence must report to the county sheriff in person every 90 days. A person may be relieved of this requirement if he or she complies with the requirement for five years.

Appropriation: None.

Fiscal Note: Requested on February 14, 2006.

Effective Date: The bill takes effect 90 days after adjournment of session in which bill is passed, except for section 2, which, because of prior double amendments, takes effect on September 1, 2006.
