By House Committee on State Government Operations & Accountability
(originally sponsored by Representatives Kirby, Roach, Simpson and
Schual-Berke; by request of Insurance Commissioner)

READ FIRST TIME 02/28/05.

1 AN ACT Relating to providing confidentiality to certain insurance
2 commissioner examinations; and amending RCW 48.02.065.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 **Sec. 1.** RCW 48.02.065 and 2001 c 57 s 1 are each amended to read
5 as follows:

6 (1) Documents, materials, or other information as described in
7 either subsection (5) or (6), or both, of this section are confidential
8 by law and privileged, are not subject to public disclosure under
9 chapter 42.17 RCW, and are not subject to subpoena directed to the
10 commissioner or any person who received documents, materials, or other
11 information while acting under the authority of the commissioner. The
12 commissioner is authorized to use such documents, materials, or other
13 information in the furtherance of any regulatory or legal action
14 brought as a part of the commissioner's official duties. The
15 confidentiality and privilege created by this section and RCW
16 42.17.31916 applies only to the commissioner, any person acting under
17 the authority of the commissioner, the national association of
18 insurance commissioners and its affiliates and subsidiaries, regulatory

1 and law enforcement officials of other states and nations, the federal
2 government, and international authorities.

3 (2) Neither the commissioner nor any person who received documents,
4 materials, or other information while acting under the authority of the
5 commissioner is permitted or required to testify in any private civil
6 action concerning any confidential and privileged documents, materials,
7 or information subject to subsection (1) of this section.

8 (3) The commissioner:

9 (a) May share documents, materials, or other information, including
10 the confidential and privileged documents, materials, or information
11 subject to subsection (1) of this section, with (i) the national
12 association of insurance commissioners and its affiliates and
13 subsidiaries, and (ii) regulatory and law enforcement officials of
14 other states and nations, the federal government, and international
15 authorities, if the recipient agrees to maintain the confidentiality
16 and privileged status of the document, material, or other information;

17 (b) May receive documents, materials, or information, including
18 otherwise either confidential or privileged, or both, documents,
19 materials, or information, from (i) the national association of
20 insurance commissioners and its affiliates and subsidiaries, and (ii)
21 regulatory and law enforcement officials of other states and nations,
22 the federal government, and international authorities and shall
23 maintain as confidential and privileged any document, material, or
24 information received that is either confidential or privileged, or
25 both, under the laws of the jurisdiction that is the source of the
26 document, material, or information; and

27 (c) May enter into agreements governing the sharing and use of
28 information consistent with this subsection.

29 (4) No waiver of an existing privilege or claim of confidentiality
30 in the documents, materials, or information may occur as a result of
31 disclosure to the commissioner under this section or as a result of
32 sharing as authorized in subsection (3) of this section.

33 (5) Documents, materials, or information, which is either
34 confidential or privileged, or both, which has been provided to the
35 commissioner by (a) the national association of insurance commissioners
36 and its affiliates and subsidiaries, (b) regulatory or law enforcement
37 officials of other states and nations, the federal government, or
38 international authorities, or (c) agencies of this state, is

1 confidential and privileged only if the documents, materials, or
2 information is protected from disclosure by the applicable laws of the
3 jurisdiction that is the source of the document, material, or
4 information.

5 (6) Working papers, documents, materials, or information produced
6 by, obtained by, or disclosed to the commissioner or any other person
7 in the course of a financial or market conduct examination are not
8 required to be disclosed by the commissioner unless cited by the
9 commissioner in connection with an agency action as defined in RCW
10 34.05.010(3). The commissioner shall notify a party that produced the
11 documents, materials, or information five business days before
12 disclosure in connection with an agency action. The notified party may
13 seek injunctive relief to prevent disclosure of any documents,
14 materials, or information it believes is confidential or privileged in
15 any superior court in Washington. In civil actions between private
16 parties or in criminal actions, disclosure to the commissioner under
17 this section does not create any privilege or claim of confidentiality
18 or waive any existing privilege or claim of confidentiality.

19 (7)(a) After receipt of a public disclosure request, the
20 commissioner shall disclose the documents, materials, or information
21 under subsection (6) of this section that relate to a financial or
22 market conduct examination undertaken as a result of a proposed change
23 of control of a nonprofit or mutual health insurer governed in whole or
24 in part by chapter 48.31B or 48.31C RCW.

25 (b) The commissioner is not required to disclose the documents,
26 materials, or information in (a) of this subsection if:

27 (i) The documents, materials, or information are otherwise
28 privileged or exempted from public disclosure; or

29 (ii) The commissioner finds that the public interest in disclosure
30 of the documents, materials, or information is outweighed by the public
31 interest in nondisclosure in that particular instance.

32 (8) Any person may petition any superior court in Washington to
33 allow inspection of information exempt from public disclosure under
34 subsection (6) of this section when the information is connected to
35 allegations of negligence or malfeasance by the commissioner related to
36 a financial or market conduct examination. The court shall conduct an
37 in-camera review after notifying the commissioner and every party that
38 produced the information. The court may order the commissioner to

1 allow the petitioner to have access to the information provided the
2 petitioner maintains the confidentiality of the information. The
3 petitioner must not disclose the information to any other person,
4 except upon further order of the court. After conducting a regular
5 hearing, the court may order that the information can be disclosed
6 publicly if the court finds that there is a public interest in the
7 disclosure of the information and the exemption of the information from
8 public disclosure is clearly unnecessary to protect any individual's
9 right of privacy or any vital governmental function.
