1 AN ACT Relating to repealing and narrowing tax incentives for
2 machinery and equipment used to reduce agricultural burning of cereal
3 grains and grass grown for seed for air quality purposes; adding a new
4 section to chapter 82.08 RCW; adding a new section to chapter 82.12
5 RCW; creating a new section; repealing RCW 82.08.840, 82.12.840,
6 82.04.4459, and 84.36.580; providing an effective date; providing
7 expiration dates; and declaring an emergency.

8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

9 NEW SECTION. **Sec. 1.** The legislature finds that rules enacted to
10 improve air quality in selected parts of eastern Washington created a
11 financial hardship for some growers of cereal grains and grass grown
12 for seed. As stated in RCW 70.94.656, it is "the policy of this state
13 ...to promote the development of economical and practical alternate
14 agricultural practices to such burning...". The legislature provided
15 tax incentives in 2000 to assist such growers transition to alternative
16 management systems while further improving air quality. Because those
17 incentives have been difficult to administer, the legislature finds
18 that it is necessary to refine and narrow those incentives.

1 NEW SECTION. **Sec. 2.** A new section is added to chapter 82.08 RCW
2 to read as follows:

3 (1) The tax levied by RCW 82.08.020 does not apply to:

4 (a) Sales of the following machinery and equipment to qualified
5 farmers: No-till drills, minimum-till drills, chisels, plows,
6 transplanters, sprayers, discs, cultivators, harrows, mowers, swathers,
7 power rakes, balers, bale handlers, shredders, tractors two hundred
8 fifty horsepower and over designed to pull conservation equipment on
9 steep hills and highly erodible lands, and combine components limited
10 to straw choppers, chaff spreaders, and stripper headers; and

11 (b) Labor and services rendered in respect to constructing hay
12 sheds for qualified farmers or to sales of tangible personal property
13 to qualified farmers that becomes an ingredient or component of hay
14 sheds during the course of the constructing.

15 (2) No application is necessary for the tax exemption in this
16 section. A person taking the exemption under this section must keep
17 records necessary for the department to verify eligibility. The
18 department may request from a qualified farmer, copies of farm service
19 agency or crop insurance records for verification purposes, however
20 information obtained from farm service agency or crop insurance records
21 is deemed taxpayer information under RCW 82.32.330 and is not
22 disclosable.

23 (3) The definitions in this subsection apply to this section.

24 (a) "Qualified farmer" means a farmer as defined in RCW 82.04.213
25 who has more than fifty percent of his or her tillable acres in cereal
26 grains and/or field and turf grass grown for seed in qualified
27 counties.

28 (b) "Qualified counties" means those counties in Washington state
29 where cereal grain production within the county exceeds fifteen
30 thousand acres, and cereal grain production from nonirrigated acreage
31 exceeds cereal grain production from irrigated acreage.

32 (4) This section expires January 1, 2011.

33 NEW SECTION. **Sec. 3.** A new section is added to chapter 82.12 RCW
34 to read as follows:

5 components limited to straw choppers, chaff spreaders, and stripper
6 headers; and

7 (b) The use of tangible personal property that will be incorporated
8 as an ingredient or component of hay sheds by a qualified farmer,
9 during the course of constructing such hay sheds;

10 (2) The eligibility requirements, conditions, and definitions in
11 section 2 of this act apply to this section.

12 (3) This section expires January 1, 2011.

13 NEW SECTION. **Sec. 4.** The following acts or parts of acts are each
14 repealed:

15 (1) RCW 82.08.840 (Exemptions--Machinery, equipment, or structures
