
SUBSTITUTE HOUSE BILL 2437

State of Washington

59th Legislature

2006 Regular Session

By House Committee on State Government Operations & Accountability
(originally sponsored by Representatives Hudgins, Chase, Dunshee and
Upthegrove)

READ FIRST TIME 02/03/06.

1 AN ACT Relating to state-owned refueling stations; and creating a
2 new section.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** (1) State agencies that own and operate
5 refueling stations shall provide the following information to the
6 legislature by December 31, 2007:

7 (a) At which refueling sites it is practicable to offer alternative
8 fuels for use by other state agencies and, if it is not practicable,
9 why not. Include a priority list on which stations would be most
10 feasible to offer alternative fuels;

11 (b) At which refueling sites it is practicable to offer alternative
12 fuels for public use, and why or why not. Include a priority list on
13 which stations would be most feasible to offer alternative fuels to the
14 public. Include any concerns for offering alternative fuels to the
15 public including, but not limited to, liability and tax issues;

16 (c) Details of the agency's plans for renovating existing refueling
17 stations or construction of new refueling stations and the associated
18 costs;

1 (d) The cost to reconfigure existing refueling stations or
2 construction of new refueling stations to include alternative fuels,
3 and to offer alternative fuels at those stations to other state
4 agencies.

5 (2) For purposes of this section, alternative fuels means
6 biodiesel, ethanol (E85), hydrogen, and liquid natural gas.
