10 density, proximity to shopping centers, and proximity to other
11 businesses that are open on Sunday. The selected stores shall be open
12 for retail business a minimum of five hours on Sunday. In implementing
13 this program, if the board determines it would be beneficial to retain
14 a consultant to assist the board in determining appropriate stores for
15 the program and monitoring the results of the program, the agency is
16 authorized to do so. The board shall track gross sales and expenses of
17 the selected stores and compare them to previous years' sales and
18 projected sales and expenses before opening on Sunday. The board shall
19 also examine the sales of state and contract liquor stores in proximity
20 to those stores opened on Sundays to determine whether Sunday openings
21 has reduced the sales of other state and contract liquor stores that
