Passed Legislature - 2005 Regular Session

State of Washington                      59th Legislature                      2005 Regular Session

By Representatives Buck and B. Sullivan

Read first time 02/11/2005.            Referred to Committee on Natural  
Resources, Ecology & Parks.

1            AN ACT Relating to extending the buyback program for certain  
2 limited fisheries that are set to expire at the end of 2005; and  
3 amending RCW 77.70.150, 77.70.190, 82.27.020, and 82.27.070.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5            **Sec. 1.** RCW 77.70.150 and 2001 c 253 s 58 are each amended to read  
6 as follows:

7            (1) A sea urchin dive fishery license is required to take sea  
8 urchins for commercial purposes. A sea urchin dive fishery license  
9 authorizes the use of only one diver in the water at any time during  
10 sea urchin harvest operations. If the same vessel has been designated  
11 on two sea urchin dive fishery licenses, two divers may be in the  
12 water. A natural person may not hold more than two sea urchin dive  
13 fishery licenses.

14            (2) Except as provided in subsection (6) of this section, the  
15 director shall issue no new sea urchin dive fishery licenses. For  
16 licenses issued for the year 2000 and thereafter, the director shall  
17 renew existing licenses only to a natural person who held the license  
18 at the end of the previous year. If a sea urchin dive fishery license  
19 is not held by a natural person as of December 31, 1999, it is not

1 renewable. However, if the license is not held because of revocation  
2 or suspension of licensing privileges, the director shall renew the  
3 license in the name of a natural person at the end of the revocation or  
4 suspension if the license holder applies for renewal of the license  
5 before the end of the year in which the revocation or suspension ends.

6 (3) Where a licensee failed to obtain the license during the  
7 previous year because of a license suspension or revocation by the  
8 director or the court, the licensee may qualify for a license by  
9 establishing that the person held such a license during the last year  
10 in which the person was eligible.

11 (4) Surcharges as provided for in this section shall be collected  
12 and deposited into the sea urchin dive fishery account hereby created  
13 in the custody of the state treasurer. Only the director or the  
14 director's designee may authorize expenditures from the account. The  
15 sea urchin dive fishery account is subject to allotment procedures  
16 under chapter 43.88 RCW, but no appropriation is required for  
17 expenditures. Expenditures from the account shall only be used to  
18 retire sea urchin licenses until the number of licenses is reduced to  
19 twenty-five, and thereafter shall only be used for sea urchin  
20 management and enforcement.

21 (a) A surcharge of one hundred dollars shall be charged with each  
22 sea urchin dive fishery license renewal for licenses issued in 2000  
23 through ((2005)) 2010.

24 (b) For licenses issued for the year 2000 and thereafter, a  
25 surcharge shall be charged on the sea urchin dive fishery license for  
26 designating an alternate operator. The surcharge shall be as follows:  
27 Five hundred dollars for the first year or each of the first two  
28 consecutive years after 1999 that any alternate operator is designated  
29 and two thousand five hundred dollars each year thereafter that any  
30 alternate operator is designated.

31 (5) Sea urchin dive fishery licenses are transferable. After  
32 December 31, 1999, there is a surcharge to transfer a sea urchin dive  
33 fishery license. The surcharge is five hundred dollars for the first  
34 transfer of a license valid for calendar year 2000, and two thousand  
35 five hundred dollars for any subsequent transfer, whether occurring in  
36 the year 2000 or thereafter. Notwithstanding this subsection, a one-  
37 time transfer exempt from surcharge applies for a transfer from the

1 natural person licensed on January 1, 2000, to that person's spouse or  
2 child.

3 (6) If fewer than twenty-five natural persons are eligible for sea  
4 urchin dive fishery licenses, the director may accept applications for  
5 new licenses. The additional licenses may not cause more than twenty-  
6 five natural persons to be eligible for a sea urchin dive fishery  
7 license. New licenses issued under this section shall be distributed  
8 according to rules of the department that recover the value of such  
9 licensed privilege.

10 **Sec. 2.** RCW 77.70.190 and 2001 c 253 s 59 are each amended to read  
11 as follows:

12 (1) A sea cucumber dive fishery license is required to take sea  
13 cucumbers for commercial purposes. A sea cucumber dive fishery license  
14 authorizes the use of only one diver in the water at any time during  
15 sea cucumber harvest operations. If the same vessel has been  
16 designated on two sea cucumber dive fishery licenses, two divers may be  
17 in the water. A natural person may not hold more than two sea cucumber  
18 dive fishery licenses.

19 (2) Except as provided in subsection (6) of this section, the  
20 director shall issue no new sea cucumber dive fishery licenses. For  
21 licenses issued for the year 2000 and thereafter, the director shall  
22 renew existing licenses only to a natural person who held the license  
23 at the end of the previous year. If a sea cucumber dive fishery  
24 license is not held by a natural person as of December 31, 1999, it is  
25 not renewable. However, if the license is not held because of  
26 revocation or suspension of licensing privileges, the director shall  
27 renew the license in the name of a natural person at the end of the  
28 revocation or suspension if the license holder applies for renewal of  
29 the license before the end of the year in which the revocation or  
30 suspension ends.

31 (3) Where a licensee failed to obtain the license during either of  
32 the previous two years because of a license suspension by the director  
33 or the court, the licensee may qualify for a license by establishing  
34 that the person held such a license during the last year in which the  
35 person was eligible.

36 (4) Surcharges as provided for in this section shall be collected  
37 and deposited into the sea cucumber dive fishery account hereby created

1 in the custody of the state treasurer. Only the director or the  
2 director's designee may authorize expenditures from the account. The  
3 sea cucumber dive fishery account is subject to allotment procedures  
4 under chapter 43.88 RCW, but no appropriation is required for  
5 expenditures. Expenditures from the account shall only be used to  
6 retire sea cucumber licenses until the number of licenses is reduced to  
7 twenty-five, and thereafter shall only be used for sea cucumber  
8 management and enforcement.

9 (a) A surcharge of one hundred dollars shall be charged with each  
10 sea cucumber dive fishery license renewal for licenses issued in 2000  
11 through ((2005)) 2010.

12 (b) For licenses issued for the year 2000 and thereafter, a  
13 surcharge shall be charged on the sea cucumber dive fishery license for  
14 designating an alternate operator. The surcharge shall be as follows:  
15 Five hundred dollars for the first year or each of the first two  
16 consecutive years after 1999 that any alternate operator is designated  
17 and two thousand five hundred dollars each year thereafter that any  
18 alternate operator is designated.

19 (5) Sea cucumber dive fishery licenses are transferable. After  
20 December 31, 1999, there is a surcharge to transfer a sea cucumber dive  
21 fishery license. The surcharge is five hundred dollars for the first  
22 transfer of a license valid for calendar year 2000 and two thousand  
23 five hundred dollars for any subsequent transfer whether occurring in  
24 the year 2000 or thereafter. Notwithstanding this subsection, a one-  
25 time transfer exempt from surcharge applies for a transfer from the  
26 natural person licensed on January 1, 2000, to that person's spouse or  
27 child.

28 (6) If fewer than twenty-five persons are eligible for sea cucumber  
29 dive fishery licenses, the director may accept applications for new  
30 licenses. The additional licenses may not cause more than twenty-five  
31 natural persons to be eligible for a sea cucumber dive fishery license.  
32 New licenses issued under this section shall be distributed according  
33 to rules of the department that recover the value of such licensed  
34 privilege.

35 **Sec. 3.** RCW 82.27.020 and 2001 c 320 s 9 are each amended to read  
36 as follows:

37 (1) In addition to all other taxes, licenses, or fees provided by

1 law there is established an excise tax on the commercial possession of  
2 enhanced food fish as provided in this chapter. The tax is levied upon  
3 and shall be collected from the owner of the enhanced food fish whose  
4 possession constitutes the taxable event. The taxable event is the  
5 first possession in Washington by an owner after the enhanced food fish  
6 has been landed. Processing and handling of enhanced food fish by a  
7 person who is not the owner is not a taxable event to the processor or  
8 handler.

9 (2) A person in possession of enhanced food fish and liable to this  
10 tax may deduct from the price paid to the person from which the  
11 enhanced food fish (except oysters) are purchased an amount equal to a  
12 tax at one-half the rate levied in this section upon these products.

13 (3) The measure of the tax is the value of the enhanced food fish  
14 at the point of landing.

15 (4) The tax shall be equal to the measure of the tax multiplied by  
16 the rates for enhanced food fish as follows:

17 (a) Chinook, coho, and chum salmon and anadromous game fish: Five  
18 and twenty-five one-hundredths percent;

19 (b) Pink and sockeye salmon: Three and fifteen one-hundredths  
20 percent;

21 (c) Other food fish and shellfish, except oysters, sea urchins, and  
22 sea cucumbers: Two and one-tenth percent;

23 (d) Oysters: Eight one-hundredths of one percent;

24 (e) Sea urchins: Four and six-tenths percent through December 31,  
25 ((2005)) 2010, and two and one-tenth percent thereafter; and

26 (f) Sea cucumbers: Four and six-tenths percent through December  
27 31, ((2005)) 2010, and two and one-tenth percent thereafter.

28 (5) An additional tax is imposed equal to the rate specified in RCW  
29 82.02.030 multiplied by the tax payable under subsection (4) of this  
30 section.

31 **Sec. 4.** RCW 82.27.070 and 2003 c 39 s 46 are each amended to read  
32 as follows:

33 All taxes collected by the department of revenue under this chapter  
34 shall be deposited in the state general fund except for the excise tax  
35 on anadromous game fish, which shall be deposited in the wildlife fund,  
36 and, during the period January 1, 2000, to December 31, ((2005)) 2010,  
37 twenty-five forty-sixths of the revenues derived from the excise tax on

1 sea urchins collected under RCW 82.27.020 shall be deposited into the  
2 sea urchin dive fishery account created in RCW 77.70.150, and twenty-  
3 five forty-sixths of the revenues derived from the excise tax on sea  
4 cucumbers collected under RCW 82.27.020 shall be deposited into the sea  
5 cucumber dive fishery account created in RCW 77.70.190.
